SIRRI
Re-invigorates the Complexion

THE possession of a fresh, radiant complexion need not involve expensive attention by a specialist, nor a wearisome course of treatment at home. Sirri, the new, imported herbal treatment, is simplicity itself. It calls for no unusual experience in application; is cleanly, and is quickly applied and removed. It is absolutely non-injurious to the skin. Crow's feet and other facial lines disappear when Sirri is used, and the skin is left glowing and refreshed.

Price \$2.50 a box (10 packets). At all first class drug and department stores, or write direct to the importers.
